OUR VISION

With the aim of refining the concept of entrepreneurship and channeling potential startup ideas in the right direction, the Entrepreneurship Cell of NSUT came up with its annual affair, Entrepreneurial Summit, popularly known as- eSummit.

eCell NSUT is ranked first amongst all Entrepreneurship Cells in the Delhi-NCR circuit. We, at eCell NSUT, solely aim at having budding entrepreneurs come through the ranks after taking on the challenges in this cut-throat competitive world. Envisaging a society with a plethora of developing entrepreneurs, we work our fingers to the bone by conducting speaker sessions, workshops and competitions as well.

We believe that entrepreneurship isn't just an intricate concept; the only requirement is to put one's shoulders to the wheel in order to get the desired output.

WHY E-SUMMIT ?

- eSummit indulges in regular skill enhancing activities including group discussion, case studies, etc.
- eSummit, other than offering exciting prizes worth 30K, offers exposure to the industry through stupedous internships.
- eCell NSUT shares a vision of establishing potential eCells as well as stabilizing the wobbly eCells.
- Along with eSummit's presence over the north indian states, a foresight of PAN- IN.

E-SUMMIT PROCEDURE

Entrepreneurship Summit is the brainchild of E-Cell, NSUT. Aiming at inculcating and developing the very spirit of entrepreneurship, eCell NSUT comes up with its annual affair to stir an essence of teamwork and synergy in the masses. We believe that, for the students to develop in an all around manner, it becomes absolutely imperative to concoct them for the competitive corporate world.

- It embraces a plethora of well thought-out and planned team tasks.
- Tasks encourage students to think about various problems, utilize their analytical skills and come to concrete solutions.
- The registrations take place online and the forms will be up on the Esummit'18 Facebook page. Consequently, the team will have to go through Offline Rounds of various events, qualifying which would give them an entry to the final round of that particular event
- The final rounds of different events will be held in the NSUT campus and the results will be declared thereafter.
